

ANNUAL REPORT

2012- 2013

DBSS

Foreword from the CEO

I joy of getting economic and social approach to backward community in empowering the grassroots to find success. Community training center for the development of common classes and develop their skills through awareness programs to make them self- dependent being created.

They can get your rights and your can better environment for which those uneducated women, men and children being literate. DAYA BHARTI SEVA SANSTHAN efforts the society of needy women, men and children are getting proper representation.

DAYA BHARTI SEVA SANSTHAN was the start of work objectives. Then only 5 women trained by the training program. Today that number is in the hundreds for which we give thanks so much all those colleagues who have come forward to provide support in the work of the Organization. It's hundreds of thousands may also need to assist all of us and more.

Finally we give thanks to those, Objectives of the Organization the success Summit in our every step given with. It was so no easy. It is possible, all the members, donors, partners, Youth Club, which meets every possible support by parents.

Rajeev Kumar

President & Chief Executive

A Brief History Of The Organisation

We are a non-profit organization, established in 2013 as DAYA BHARTI SEVA SANSTHAN. Considering first the state of Bihar, DAYA BHARTI SEVA SANSTHAN is working through awareness programs and training centers for illiterate women, men and children to make them literate so that they can get their rights, and to build a better environment and women's empowerment. They develop this practice and to which it can be empowered to develop livelihood resources, underprivileged women, men and children to improve in every area of life.

Vision is important to get the result of the work in the fields—The first result provides a great satisfaction towards the work. And the other for which organization has been formed with the aim is growing up in the same direction constantly that's why. "DAYA BHARTI SEVA SANSTHAN" is expanded over all geographical and social area of MUZAFFARPUR district, region and circle (Panchayat / Ward). All workers and colleagues of "DAYA BHARTI SEVA SANSTHAN" is contributing in financial needs of the organization.

Vision

We seeks to empower poor communities, depressed and weaker section of the society and social perspective, so that they have the proper representation to prove "Rising Villages Proud Of India".

Mission

Our mission is dedication to the development of society and the general class to work with the true spirit. DAYA BHARTI SEVA SANSTHAN is working through awareness programs and training centers for illiterate Women, men and children to make them literate so that they can get their rights, and to build a better environment and women's empowerment. They develop this practice and to which it can be empowered to develop livelihood resources, underprivileged women, men and children to improve in every area of life.

Our Projects

Hamara Aangan

Hamara Aangan is our key project for women empowerment. It ensures women's economic freedom to fulfill their needs. It is helpful for needy women of our society and make them self-dependent with respect to earning money.

Objective : Our key objective is to ensure women empowerment through this program and make them self-dependent by the means of earning money. To fulfill this we provide proper training to them through our different Skill Development programs.

Kalpana

As we know only literate people can make a healthy society, Kalpana is a step towards the same. Kalpana is our key project to increase literacy in our society & support literacy mission. Through this program, we provide education to underprivileged child & weaker section of society.

Objective : Kalpana is designed for underprivileged children & people of our society. It is helpful to make people literate & self-confident. We provide basic education to Children & Illiterate People. In Kalpana our mission is to educate every people of our country and make them literate so that they did not need to make a thumb impression in signature box.

Madhur Muskan

All we know that Health is Wealth and our Program Madhur Muskan is dedicated for the same. Our key focus is to make people aware of different Diseases, Accidents & Natural Calamities. We focus on First Aid with respect to Fire Safety, Road Accidents, Earth Quake, Flood, Seasonal and Chronicle Diseases.

Objective : Our key objective is to educate people about different diseases, first aid on different type of accidents, fire, flood and viral diseases. To fulfill this we make them aware of cleanliness and safety tips. Our Mission is Swaksh Bharat Swasth Bharat Apna Bharat.

Hamari Shakti

Hamari Shakti is targeted to making people employable. In this we provide training to needy people so that they can start earning money by the means of job or self-employment.

Objective : Our key objective is to make every people self-dependent. It can be possible only if every people is employed. For which we provide such training so that they can get a job or start a business of own.

Programs

Sewing Training

Sewing Training Program is designed for women to train them at home. In home based training cutting & sewing has its own importance. This is such an art, which every women and girl must learn.
